Education

Speech Sound Difficulties: Understanding & Supporting Students (On-Demand 2022)

Event date range

Available from 1 January 2022 08:00 AM

Event details

Session Overview

This 2 hour on-demand learning content is for teachers, SAER coordinators, literacy support staff and other staff including education assistants and AIEOs. The learning content aims to build participants' knowledge of speech sound milestones and 'red flags' indicating specific speech sound difficulties. Participants will be able to identify when a referral is necessary and gain an overview of strategies to assist these students in the classroom. Referral pathways for extra support in WA will be explored.

Aims

Participants will:

- Explore normative development and the presentation of students with speech sound difficulties

- Explore processes for identifying red flags for speech difficulties and initiating referral to external services

- Explore general support strategies for classroom contexts

- Learn about referral and support pathways for children with speech difficulties in WA.

Event & Access Details

This professional learning session is available to access from 8am on the 1st of Jan 2022 until the end of 2022.

Shortly after registering for the session participants will receive an e-ticket - click on the URL on this e-ticket to access the PL video, handouts and resources. To receive recognition of session attendance, participants need to complete a quick quiz once having completed the professional learning – link provided in the PL resources folder
