Event details

Keys4Life Parents Online Teacher Preview

This course is for teachers only. Parents should contact their student's school for a link to the parent course

Keys4Life Parents Online will support parents, carers and guardians in their role as supervisor for their Keys4Life learner driver.

This online course is a digital version of the Keys4Life Let's Practise booklet.

It offers an extra way to support parents and is not intended to replace webinars or face-to-face sessions if these are your school's preferred ways to engage parents.

As a Keys4Life teacher, you are invited to preview the course to see the same content parents would see.

If you would like to share *Keys4Life Parents Online* with parents, contact rsde.rfa@education.wa.edu.au for the parents-only link.

The course may take around 30 minutes to complete and will be added to your professional learning transcript.
