### WA ClassmAlte: Exploring the Generative AI Journey Together

**Friday 12 June 2026**

WA ClassmAlte is a cross-sector pilot generative AI platform being developed collaboratively by the Department of Education, Catholic Education Western Australia (CEWA), the Association of Independent Schools of Western Australia (AISWA) and the School Curriculum and Standards Authority (SCSA) intended to support school planning and save time for teachers.

Join this full-day workshop to discover practical ways generative AI can reduce teacher workload and support schools.

During this hands-on session, participants will:

- Explore ethical considerations, emerging policy, and the risks and opportunities of AI in schools
- Learn how to use AI tools responsibly in teaching practice
- Receive exclusive access to WA ClassmAlte during and after the session
